**Encyclopedia of American Social History**
Call Number: REF HN 97 .E59 1993 (3 vols) Row 7

ETIQUETTE

Etiquette: conventional rules of personal behavior observed in polite society. Also... ritual behaviors observed in social gatherings.

While most etiquette books are located on the 2nd floor (BJ 1852-1877 call number range), several etiquette books important for this course have been transferred to the Reference Collection (main/1st floor). This is not only for easier access but to allow everyone in the class to use them. Reference books are non-circulating, but you can scan pages for free in the library or you can take photographs of pages with your iPhone. The titles in the Reference Collection are listed first in the list below.

Reference Collection - Row 2 (main/1st floor)

Etiquette; "The blue book of social usage," by Emily Post
Call Number: REF BJ 1853 P5 1940
editions from previous and subsequent years are shelved on the 2nd floor, in the same call number range.

Manners and Social Usages by Mary Elizabeth W. Sherwood.
Call Number: REF BJ 1852 S54
Publication Date: 1897 (1875 reprint)
Search for and view the full-text book (1884 ed.) in Nineteenth Century Collections Online.

Twenty first century culture and deportment, or, The lady and gentleman at home and abroad: containing rules of etiquette for all occasions ... by Maud C. Cooke
Call Number: REF BJ 1853 C71 [1899]

Etiquette for all occasions by Mrs. Burton Kingsland
Call Number: REF BJ 1853 K56 1902

2nd Floor

Call Number: BJ 1852 R52 1853
Search for and view the full-text book (1861 ed) in Nineteenth Century Collections Online.

Correct social usage; a course of instruction in good form, style and deportment, 4th rev. ed.
Call Number: BJ 1853 C78S 1907 (vol 2)
Search for and view the full-text book (2 vols) in Nineteenth Century Collections Online.

Encyclopedia of etiquette; what to write, what to do, what to wear, what to say; a book of manners for everyday use by Emily Holt

Online Only

Manners That Win (1880)
(pages 242-249 - chapter on funeral and mourning customs, including funeral attire)

Manners, Culture and Dress of the Best American Society (1894, c.1890)
Search for and view the full-text book in Nineteenth Century Collections Online.

The Correct Thing in Good Society (1888)
Search for and view the full-text book in Nineteenth Century Collections Online.
# Salaries

Wages are one indicator of social class. Other factors used as measures of social class may include education, occupation, social status and power, and cultural norms. You are finding the rough salary (not exact) of a minister to get a better sense of the social class/buying power of Reverend Harper and his daughter Elaine.

There are books in the Society & Culture page which will help you learn more about the business/economic situation at the time of the play and some information about social class.

Search the Brooklyn Eagle newspaper to find articles that mention ministers' salaries. Type -> ministers salaries => into the search box. After the search, use the date limit in the left sidebar to limit your search to 1930-1940. July 18, 1933 page 7 (in search box, type minister salaries) for some insight into how salaries were set for ministers.

Sample Article:

"Minister to Study Pastors' Salaries Abroad for Scale"
The Brooklyn Daily Eagle (Brooklyn, New York) - Tue, Jul 18, 1933 - Page 7

Modern America, 1914 to 1945
Call Number: REF E 708 .G67 1985 Row 5
Provides income of ministers, 1929-1936. Look in the book's index under the entry "Ministers" to find the page number. Then, use the Consumer Price Index Calculator from the BLS website: http://www.bls.gov/data/inflation_calculator.htm to roughly estimate what a minister's salary was in 1940/41.

Historical Statistics of the United States
This resource includes data on population, health, labor, the environment, energy, business, and more for the United States and individual states dating back to the 1700s.

Provides salaries of ministers from 1890-1926 in the pdf document Annual earnings in selected industries and occupations: 1890–1926.
1. Click on the blue "Search" tab in the upper right of the screen. In the search box, type -> salaries ministers
2. Click on the link for the table "Annual Earnings in Selected Industries and Occupations: 1890-1926."
3. When viewing the table on the next screen, find the "Jump to" box at the top right of the table. Click on the blue arrow to get to column B4434 which is "Ministers." Scroll down the list of years until you see the salary for 1926.
4. Then... for the salary you find in both the print and online version of Historical Statistics, use that salary in the Consumer Price Index Calculator at http://www.bls.gov/data/inflation_calculator.htm to roughly estimate what a minister’s salary was in 1940/41.

The Value of a Dollar: prices and incomes in the United States, 1860-2014
Call Number: REF HB 235 .U6 D47 2014 Row B
Illustrates trends in prices by recording the actual prices of thousands of items that consumers purchased from the Civil War to the present. Each chapter covers a different period of time and includes historical chronology, consumer prices, typical investment returns, income for selected jobs, national average wages, and pricing for food and other items.
